VIRTUAL PRESENTATION

In 45 minutes, I will demonstrate - via original songs and stories - how your students can make bullies disappear by focusing their efforts on creative self-expression. This presentation is fun, educational, inspiring and motivational.

LEARNING OUTCOMES

Students will feel empowered to explore learning opportunities, contribute to their communities, and thrive in a world where confidence and creativity are *“two of the most valuable life skills they can possess.”*

~ International Youth Foundation, 2018

EMPOWER YOUR STUDENTS WITH CREATIVE

CONFIDENCE

MOTIVATION

I was on the verge of bullycide when I dropped out of school for the third time. Then my cousin lent me her guitar and three months later I was bully-proof. I returned to school, graduated, and have since accomplished many personal and professional goals by empowering myself with *Creative Confidence*.

MISSION

Fueled by this transformation, I am on a mission to empower students with *Creative Confidence* so they can overcome difficulties, make positive choices, and become good citizens.

PRESENTATION

My pre-recorded virtual *Creative Confidence* presentations are free.

Teachers and parents can also request a free copy of my ebook *Dear Leroy* by contacting me via my website.
